

Transcript of remarks by SFST at media session

Wednesday, October 25, 2017

Following is the transcript of remarks by the Secretary for Financial Services and the Treasury, Mr James Lau, at a media session in the Legislative Council this evening (October 25):

Reporter: What do you think of the discussion today?

Secretary for Financial Services and the Treasury: There wasn't much discussion there except they were debating the application of (Rule) 54 of the RoP (Rules of Procedure of the Legislative Council). It was a debate where they went back to history and they debated the use of similar cases before, relating to cases in the 1980s. So I didn't see this as a very productive discussion and even the Member who moved the motion, he was not present for most of the debate.
