

## **Acknowledgement**

1. The Working Group on Long-Term Fiscal Planning is most grateful to the Civil Service Bureau, Development Bureau, Education Bureau, Food and Health Bureau, Labour and Welfare Bureau, Transport and Housing Bureau, and their related departments, as well as the overseas Economic and Trade Offices of the Commerce and Economic Development Bureau for offering their valuable advice and direct input for the sector-specific long-term projections and/or helping to source and verify input relating to other economies.
2. The Working Group would also like to express its sincere gratitude to the relevant authorities in Australia, Canada, Germany, Japan, Singapore, Switzerland and the United Kingdom, the International Monetary Fund and the Organisation for Economic Co-operation and Development for their direct feedback and/or support through making available a large pool of research publications and budget details, without which the analyses on overseas experience would not have been possible.
